**Please Read – We are an all-volunteer organization.** Your time contribution and commitment is more valuable to the club than your membership dues, but we still need your dues too! 100% of the funds we collect in membership dues and hunt test profits go back into our club.

Our club meets at the 3<sup>rd</sup> Monday of the month at 7 PM in a north metro location. All members receive an e-mail reminder that states the location and agenda. Please consider attending a meeting and getting involved in your club.

**We are pleased to offer two membership classifications:**

**\$45 Household \_\_\_\_\_ \$45 Associate Membership \_\_\_\_\_** As an Associate member I want to be part of NFHRA, but will not be participating in training nights/days or other club member only events. Associate members are not expected to help out at NFHRA Spring and/or Fall Hunt Tests and do not have voting rights or able to hold office. All new members are required to attend 2 meetings prior to full membership.

It is suggested that all household memberships that do not work 2 full days (or equivalent) at an NFHRA event make a donation of \$125 to help offset the cost of hired help.

I can commit to the following dates today. Keep in mind that late renewals may not get the work dates requested.

- Friday 6-3 \_\_\_\_\_
